# ROADMASTER'S REPORT 4/2/25

- We received the contract for Sealcoating (Tar and Chip), the winning company through the Erie County Council of Governments (EACOG) bidding process was Suit-Kote, their pricing was: Single coat @ $1.856/Sq.Yd. and Surface Treat @ $5.67/Sq.Yd.
- We will be using approximately 30,603 square yards of surface treatment, which are the base layers of turning a gravel road into an asphalt road which we will be completing, Niemeyer Road, Lane Road, Smedley Road and Trask Road at an approximate cost of $173,519.
- We will be adding approximately 33,936 square yards of single coat to the same roads then also coating Circuit St. in front of the Township office to complete that section that we paved last year at a cost of approximately $62,985.
- We have been monitoring the roads and have noticed that there are no more signs of frost in the roads and with the recent rains they have settled nicely, So I would recommend that we lift the 10-ton weight limit restriction.
- We have been servicing equipment.
- We started breaking down plow trucks from winter service.
- We have been sweeping excess anti-skid from the tar and chip roads, from winter maintenance.
